The concept of Progressed Ascendant or Muntha in Varsha Phal chart

This is another unique concept in Varsha Phal chart. The birth ascendant in natal chart is supposed to move or progress to the next Zodiac sign every year from the natal zodiac sign. This is called Progressed Ascendant in Western astrology, and “Muntha” in Varsha Phal. Muntha plays a crucial role in the analysis of Varsha Phal chart, as Birth ascendant or “Janma Lagna” plays a crucial role in analysis of natal chart.

It is important to remember that the Varsha Phal chart will also have an ascendant like the natal chart based on the exact eastern horizon in our natal birthplace at the time of exact solar return moment on this year’s birthday. The Muntha is the most significant point in the Varsha Phal chart. It is located in Lagna at the time of birth. Each year the Muntha progresses by one zodiac sign (Rashi). Special Comments on your Concern:

Concern: Expecting first child mid March 2019. However facing financial demands from my wife to support her family. My fear that after baby is born may face renewed demands, threat of divorce etc. My wife, Asiia, birth details are 09.00 am 30th Dec 1991 Saratov (Russia). My concern is being separated from my child if my wife leaves or files for divorce. Lately become aware that her mother and cousin sister are the bad influence on my wife. In time will come to realize this or/and birth of the child alter my wife's thinking of what is important

Answer.

Regarding your query, I must say that your conjugal situation will further get deteriorated, as you are now reeling under the obnoxious and ominous effects of prevailing Sade-Sati.

Your wife will be reluctant to budge from her stand and I would say that chances of divorce are very strong and there is no way you can turn this on in your favour.

Your horoscope and planetary alignment there in indicates separation. You would also face difficulty in getting the custody of your yet to be born child in future, as mother is given preference in such case. Despite your honest efforts, you cannot be able to change the thinking process of your wife and occasionally she will behave in a hysterical manner. You can take resort to marriage counselling and also implement remedies in order to give a try to your conjugal to remain stable despite going through various issues and problems.

You are advised to opt for a HANUMAN KAVACH in order to tone down the ominous and sinister effects of ongoing Sade-Sati.

Astrological Remedy: Astrological Remedy is suggested based on your natal horoscope and not based on Varsha Phal chart.

I shall suggest astrological remedies as per your natal chart only.

To augment the strength of your natal Venus, you may wear a **WHITE SAPPHIRE** of 5 carats on silver ring, worn on the right hand's index finger, inaugurated any Friday. This will enhance your creative energies, stamina, vitality and immunity power.

You are advised to opt for a **HANUMAN KAVACH** in order to tone down the ominous and sinister effects of ongoing Sade-Sati.

May God grant you peace, prosperity and happiness in every aspect of your life.
